General Information

The afternoon ground session is scheduled from 2:00 – 6:00 pm on Friday. During this session, we will make instructor and aircraft assignments for the training flight(s). Please let us know if you are planning on more than one flight. Training flights will start at 7:00 a.m. and conclude about noon, depending on specific airports. If you are flying to Grand Junction, you will park at West Star Aviation. Courtesy transportation will be provided between airport destinations. Please let us know if you require assistance with a rental car or hotel accommodations.
